

Environmental & Paper Packaging

for Universities, Colleges and Schools

Our Environmental & Paper Packaging is the perfect branding tool to help promote a strong identity for your University, College or School.

Our bags are an ideal carrier for your brochure and information pack to hand out to your University Alumni or College Starters, or even guests at an open evening or a conference. Many of the Universities, Colleges and Schools are now beginning to use our RPET bags, which are made from 80% post consumer waste, can promote eco initiatives and are reliable, reusable and responsible to our environment.
